

Keep Your Lip Balm Handy!

Tie one on your **purse**, **fanny pack**, on your **bike**, on a **jacket**, or anywhere you want to have lip balm handy!

OK, its not Rocket Science, but...

Here is how to get your lip balm back in it's holder:

Step 1: Stick the *bottom* end of the lip balm up into the top pocket.

Step 2: Flip the lip balm right side up so the bottom edge hooks into the bottom pocket.

Step 3: Push it down all the way and cover with top flap!
